DEADLINE FOR THE JUNE NEWSLETTER IS

SUNDAY, MAY 21, 2017

Dear Companions in Christ,

Chances are you've heard me say that Easter is not a day, but a season. Easter Day itself may be in the rearview mirror, but the season lasts 50 Great Days until Pentecost. Even then, Easter's not really "over". Every Sunday of the year (Lent, included) is an Easter, an opportunity to celebrate the resurrection.

Even more so, every funeral or memorial service is an opportunity to claim the hope of the resurrection for our selves and our loved ones. That's why I insist on including the below statement from the Prayer Book (page 507) on all funeral bulletins:

"The liturgy for the dead is an Easter liturgy. It finds all its meaning in the resurrection. Because Jesus was raised from the dead, we, too, shall be raised."

Then, to a congregation that might be losing the battle to fight back tears, it audaciously proclaims:

"The liturgy, therefore, is characterized by joy, in the certainty that 'neither death, nor life, nor angels, nor principalities, nor things present, nor things to come, nor powers, nor height, nor depth, nor anything else in all creation, will be able to separate us from the love of God in Christ Jesus our Lord.'"

After that beautiful paraphrase of St. Paul's Letter to Romans (8:38-39), it offers this beautiful pastoral conclusion, reminding us that even Jesus wept at the death of Lazarus:

"This joy, however, does not make human grief unchristian. The very love we have for each other in Christ brings deep sorrow when we are parted by death. Jesus himself wept at the grave of his friend. So, while we rejoice that one we love has entered into the nearer presence of our Lord, we sorrow in sympathy with those who mourn."

Thus we say every Sunday in Eastertide and always at the

grave:

Alleluia. Christ is risen.
The Lord is risen indeed. Alleluia.

Faithfully,
Dee Anne +

Vestry Update for April 2017

Due to Holy Week our meeting was postponed till the following week. April's meeting was devoted to continuing discussion on a number of issues we have been addressing since January.

The minutes from March's meeting and the treasurer's report for March were reviewed and approved as submitted. We discussed the action items growing out of our retreat in March regarding research of a number of web sites and further discussion of "The Story."

We discussed the thrift shop situation and the need for additional volunteers as, next to pledging, this is the largest source of income for our church. Volunteers are needed for the work session on Mondays and to staff the thrift shop during the scheduled openings on Thursday, Friday, and Saturday from 10 - 1. We would like to extend these hours but additional volunteers are needed to do this. Alesia Manicone is no longer director and has ceased coordinating the thrift shop operation. Jane Smith and Marcia Cutrole have volunteered to take over those duties, but are looking for assistance in communication/advertising and scheduling.

Ralph, Gene, and Stephanie provided a summary of the workshops they attended at the ECCT Spring Training on April 1st. These workshops included Vestry organization and operation, stewardship, dealing with Alzheimer's, and churches becoming sanctuaries for undocumented immigrants.

Updates were provided from liaisons to the following committees:

Technology/Sound/Communication: Adjustments continue to be made to the system in the church and a piece of equipment to regulate feedback is being purchased. There is a problem with the phone that has been extended to the thrift shop that is being addressed.

Property: We are looking for additional volunteers to assist in checking the church in the evenings to make sure it is secure after parish meetings and community organizations have completed their meetings. If interested, please contact Bob Mansfield or Gene Gervais.

Your wardens,
Chuck Maynard & Gene Gervais

A Prayer for Memorial Day

Gracious God, we give thanks for military men and women, both from the past and present, and for their courageous service and sacrifice to our country and its people to secure the blessings of life, liberty, and justice for all.

May our remembrance be a timely reminder that our freedom was purchased at high cost, and should not be taken for granted.

Give us resolve to labor in faithful service to you until all share the benefits of freedom, justice and peace; through Jesus Christ our Lord.

Amen.

St. Paul's Recycles!

You may have noticed more recycling bins with signs on them around the church and parish hall! The agreement with our new trash company, All Waste, comes with single stream recycling. Please help be good stewards of God's earth by placing all recyclable items – **all types of paper, plastic containers #1 – 7, glass, cans, cardboard** – into the containers, making sure to rinse out all containers before recycling. Thank you for helping in this important effort.

St. Paul's Thrift Shop News

We are looking for some volunteers, **male or female**, for the following:

1. A “tech savvy” person to take over publicity via Facebook page and e-mail sale information to the Advisor. These jobs can be done at your leisure at home.

2. Scheduling of those who work in the shop. Again, this can be done at home in your time frame.

3. The **MOST IMPORTANT** job, multiple volunteers, male and/or female, husbands & wives, friends & neighbors to work 3 hour shifts in the shop. Openings available for June 1, June 8, June 9 and June 29.

FYI : The Thrift Shop generates OVER \$10,000.00 in revenue per year for St. Paul’s general fund. If our parishioners do not volunteer to help out, this source of revenue will dry up as the shop will not be able to operate. How will this shortfall be made up?? Let’s all pitch in and keep this wonderful source of community outreach and revenue **OPEN!**

To volunteer for any of these opportunities or more information contact Jane Smith OR the church office.

Thank you in advance.

**Please advise us of - change of address or telephone numbers
- illness, hospitalizations, deaths
- requests for baptisms, weddings, etc.**

Readers – Ushers – Crucifers – Acolytes – Chalice Bearers!

Please check your schedules for services and times you are serving. If you are unable to fulfill your obligation, please obtain a substitute for yourself! If you would also inform the parish office of any changes it would be greatly appreciated!

Thank you.

Wallingford Emergency Shelter –

The shelter opened in mid-Nov. under the new management of “Columbus House” and closed for the season in Mid-April. It was

more challenging this year as with anything new there are changes to adjust to and issues to be worked out. Keeping the lines of communication open was key to smoothing out the transition and the resiliency and creativity of our volunteers was second to none! On the positive side it was good to see the shelter continuously full with established clients who were friendly and appreciative of the service we provide.

With 20 volunteers (6 new), food was picked up from Choate and served on Sunday nights. In addition, meals were prepared by 8 volunteers to cover the 7 Sundays during the season when Choate is shutdown.

Cannot thank those who participated in this outreach enough! For me this is truly a heartwarming community in action experience!

Trudy Guth

Rector's Note: Thanks be to God for Trudy for making sure that this important outreach ministry runs so smoothly!
